THE SPA AT EBRINGTON

Welcome to a sanctuary of tranquillity, where your mind, body and well-being take centre stage. Embark on a transformative journey designed to awaken your senses, restore your balance, and replenish your spirit. With an unwavering commitment to impeccable service and meticulous attention to detail, we have curated a blissful retreat where every element has been carefully crafted to cater to your needs.

Our highly skilled therapists and state-of-the-art facilities are here to ensure you experience pure bliss. Immerse yourself in our exquisite hydrotherapy pool, where soothing jets of water gently caress your body, melting away any lingering tension. Unwind in our serene steam room and sauna, or indulge in a revitalising massage that eases tension, melts away stress, and rejuvenates you from head to toe.

EB BOTANICALS - GROUNDING & FLOWING

EB Botanical Skincare's wellness philosophy is based on sustainability, connection, and respect, with an underpinning desire to use ancient knowledge combined with local botanicals and actives to return our guests to a sense of harmony and flow akin to that of the inspiring river Foyle. With the restorative nurture of touch aligned with our bespoke blends of sensorial rich aromatics we aim to help calm the rapids and evoke tranquillity.

EB ESSENCE - OUR STORY

A distinct blend of aromatics envelops you within The Ebrington Hotel which is a rich uplifting and spirit brightening Gorse with a grounding Oak base with warming, comforting, yet luxurious undertones of Cashmere. This scent pervades throughout all areas of the hotel, and it is hoped that guests carry this connection and intention with them long after creating memories during their stay.

THERMAL SUITE

Enjoy the ultimate pre-treatment experience in our thermal area where you can rest on pool-side loungers and allow your body to settle into a relaxed state. With a wish to harness the healing powers of water and respect the origins of Spa therapy, this zone is a luxurious space to begin your spa journey.

THERAPEUTIC POOL

Fully equipped with bubble loungers to recline on, and thermo massage jets designed to massage the back, thighs, and calves to free up tension. A powerful cannon jet completes this pool with its ability to target shoulder areas with solid hydro pressure.

CLASSICAL SAUNA

Used for centuries to help boost circulation, encourage detoxification, and enhance overall immunity, our classic sauna will help you peacefully unwind.

STEAM ESSENCE ROOM

A place to relax whilst inhaling the aromatic essences created in-house for maximum therapeutic benefit. Aiding both the sinuses and lungs.

BUBBLE SPA EXPERIENCE SHOWER

A cascade of bubble rain gives the sensation of bursting bubbles on the skin. The rhythmic tapping as bubbles ‘pop’ on the user improves circulation, supports immunity, and releases muscles.

COLD THERAPY BUCKET SHOWER

Shock the senses and invigorate the body with our cold therapy shower. With numerous benefits to body and mind, feel refreshed, awake and energised.

SENSORY SHOWER

With a focus on the healing power of hydrotherapy, this shower recreates a range of water pressures from morning mist to the massaging pressure akin to standing under a waterfall or in the currents of river rapids.

Guests are encouraged to use the thermal area pre-treatment. Contraindications do exist for this area so those visiting with health issues such as high blood pressure and those who are expecting are advised to seek further guidance from the Spa team as to how to tailor this area to their needs.

Prebooking of thermal suite during weekends and busy times essential.

FACIAL TREATMENTS

DETOX FACIAL

50 MINS £95 Mid-week & £105 weekend

A deep cleansing facial, this treatment has been designed to detox skin at a cellular level, ideal for those who are always on the go or who lack a regular sleep cycle. A powerful blend of bio-compatible antioxidants and peptides help detox the skin of free radicals, whilst massage of the face, neck & scalp including cooling Gua Sha stone therapy is used to increase blood flow, aid drainage of fluids, reduce puffiness and help firm. Leave feeling thoroughly rejuvenated with a smoother, younger-looking complexion.

RESTORATIVE FACIAL
